Section 330 sets forth the criteria for the award of compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services; the rates charged for such services;
- (b) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

Accordingly, the approval of the compensation sought herein is warranted.

The undersigned representative of Deloitte Tax certifies that Deloitte Tax has reviewed the requirements of rule 2016-2 of the Local Rules and that the Fee Application substantially complies with that Local Rule. To the extent that the Fee Application does not comply in all respects with the requirements of Local Rule 2016-2, Deloitte Tax believes that such deviations are not material and respectfully requests that any such requirement be waived.

WHEREFORE, Deloitte Tax respectfully requests that the Court enter an order: (i) granting interim allowance of compensation for professional services rendered to the Debtors by Deloitte Tax during for the Application Period in the amount \$112,711.60, which represents 80% of the total compensation for professional services rendered during the Application Period; and (ii) granting such other and relief as may be just and proper.
